# Town of Amherst Cherry Hill Golf Course

**A Course For Everyone**

# Cherry Hill Golf Course

## The Course

This course showcases challenging terrain, wide fairways, and two water hazards. It was built in 1963, designed by Dave Maxon. The greens feature bent grass and the fairways are bluegrass.

*Cherry Hill -- a beautiful course  
for players of all levels and  
abilities!*

## About Cherry Hill

Cherry Hill Golf Course is a 9-hole municipal facility located in the town of Amherst, Massachusetts. Set on some of the most beautiful land the Connecticut River Valley has to offer, the course features ponds, wetlands and a wide variety of trees, birds, and wildlife. From the upper part of the course, players enjoy a scenic view of the Berkshire Hills. Cherry Hill Golf Course now offers both a new irrigation system and a new clubhouse facility.
